### Going concern

The directors have a reasonable expectation that the company has adequate resources to continue operational existence for the foreseeable future. For this reason the directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

### Directors' responsibilities statement

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Disclosure of information to auditor

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.
