

INDEPENDENT AUDITOR'S REPORT

To the Members of Wockhardt Infrastructure Development Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of Wockhardt Infrastructure Development Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information, (hereinafter referred to as "Ind AS Financial Statements").

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls and ensuring their operating effectiveness and the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the

circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2018, its profit (financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder;
 - e. On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure 2".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements - Refer Note 31 on Contingent Liabilities to the Ind AS financial statements;

HARIBHAKTI & CO. LLP

Chartered Accountants

- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any on long-term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Wockhardt Infrastructure Development Limited on the Ind AS financial statements for the year ended March 31, 2018.]

- (i)
- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (b) During the year, fixed assets have been physically verified by the management as per the regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As informed, no material discrepancies were noticed on such verification.
 - (c) According to information and explanation given to us, the title deeds of immovable properties other than self constructed properties recorded as Property, Plant and Equipment In the books of account of the Company as on March 31, 2018 are held in the name of the Company.
- (ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. As informed, no material discrepancies were noticed on physical verification carried out during the year.
- (iii) As informed, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii)(a), 3 (iii)(b) and 3 (iii)(c) of the Order are not applicable to the Company.
- (iv) Based on information and explanation given to us in respect of loans, investments, guarantees and securities, the Company has complied with the provisions of Section 185 and 186 of the Act.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the provisions of Sections 73 to 76 of the Act and the rules framed there under.
- (vi) The Central Government has not prescribed the maintenance of cost records for any of the products of the Company under sub-section (1) of Section 148 of the Act and the rules framed there under.
- (vii)
- (a) According to information and explanations given to us and the records of the Company examined by us, in our opinion the Company is generally regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, goods and services tax, customs duty, excise duty, cess and any other material statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, goods and services tax, customs duty, excise duty, cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us, there are no dues with respect to income tax, sales tax, service tax, value added tax, goods and services tax, customs duty, excise duty, which have not been deposited on account of any dispute.

HARIBHAKTI & CO. LLP

Chartered Accountants

- (viii) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to financial institution, bank, government or dues to debenture holder.
- (ix) The Company has neither raised money by way of public issue offer nor has obtained any term loans. Therefore, paragraph 3(ix) of the Order is not applicable to the Company.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such instance by the management.
- (xi) According to the information and explanations given to us, the Company has not paid any remuneration to its key managerial personnel. Therefore paragraph 3(xi) of the Order is not applicable to the Company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanation given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of Act, where applicable.
The details of the related party transactions have been disclosed in the Financial Statements as required under the Indian Accounting Standard (Ind AS) 24, Related Party Discloser specified under section 133 of the Act, read with relevant rules issued thereunder.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore, paragraph 3(xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him during the year.
- (xvi) According to the information and explanation given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Wockhardt Infrastructure Development Limited on the Ind AS financial statements for the year ended March 31, 2018.]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Wockhardt Infrastructure Development Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

WOCKHARDT INFRASTRUCTURE DEVELOPMENT LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

All amounts in lakhs of Indian Rupees unless otherwise stated

1.

A. CORPORATE INFORMATION

Wockhardt Infrastructure Development Limited (the 'Company') is a public Company incorporated in India and has its registered office at Wockhardt towers, Bandra Kurla Complex, Bandra(E), Mumbai, Maharashtra, India. The Company is the wholly owned subsidiary of Wockhardt Limited.

The Company is in the business of developing infrastructure at Special Economic Zone (SEZ) on leasehold land.

B. SIGNIFICANT ACCOUNTING POLICIES:

a. Basis of Accounting

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) to comply with the Section 133 of the Companies Act, 2013 ("the 2013 Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

b. Functional and Presentation Currency

These financial statements are presented in Indian rupees, which is the functional currency of the company.

c. Use of estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialize.

Estimates and assumptions are required in particular for:

(i) Leasehold land:

The Company has entered into several arrangements for lease of land from Government entities and other parties. Significant judgement is involved in assessing whether such arrangements are in the nature of finance or operating lease. In making such an assessment, the Company considers various factors which includes whether the present value of minimum lease payments amounts to at least substantially all of the fair value of lease assets, renewal terms, purchase option,

sub-lease options etc. Based on evaluation of above factors, leases are evaluated on case to case basis for the purpose of treating as in the nature of finance lease.

- (ii) Useful life and residual value of property, plant and equipment and intangible assets:

Useful lives of tangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

d. Property, Plant and Equipment

- i) Recognition and Measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Company incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognised in Statement of Profit and Loss. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

- ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the Statement of Profit and Loss.

Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.

iii) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation is provided, using the straight line method, pro-rata to the period of use of assets, in accordance with the requirements of Schedule II of the Companies Act, 2013, based on the useful lives of the assets determined through technical assessment by the management. The estimated useful lives followed by the Company are as follows:

<u>Assets</u>	<u>Estimated useful life</u>
Leasehold land	Over the period of lease
Buildings	30 years
Plant and Machinery	21 years
Furniture and Fixtures	16 years
Office Equipments	4 years
Information Technology Equipments	3 years

Fixed assets whose aggregate cost is Rs 5,000 or less are depreciated fully in the year of acquisition.

iv) Impairment of Assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the fair value less cost of disposal and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

e. Borrowing Cost

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate (EIR) applicable to the respective borrowing. Borrowing costs include interest costs measured at EIR.

Financing / Borrowing costs attributable to acquisition and/or construction of qualifying assets are capitalised as a part of the cost of such assets, up to the date of capitalization of such assets. Capitalisation of borrowing cost is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying asset is interrupted.

Other financing /borrowing costs are charged to the Statement of Profit and Loss.

f. Financial Instruments

I. Financial Assets

Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit

and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Debt instruments measured at fair value through profit and loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVTOCI) or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI). There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred

control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.

b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

II. Financial Liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

The Company uses derivative financial instruments, such as foreign exchange forward contracts, interest rate swaps and currency options to manage its exposure to interest rate and foreign exchange risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

III. Fair value:

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

- (A) Level 1: The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date. Examples include exchange-traded commodity derivatives and other financial assets such as investments in equity and debt securities which are listed in a recognized stock exchange.
- (B) Level 2: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions. For example, the fair value of forward exchange contracts, currency swaps and interest rate swaps is determined by discounting estimated future cash flows using a risk-free interest rate.
- (C) Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

IV. Accounting for day 1 differences:

If the fair value of the financial asset at initial recognition differs from the transaction price, this difference if it is not consideration for goods or services or a deemed capital contribution or deemed distribution, is accounted as follows:

- if the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable market, the entire day 1 gain/loss is recorded immediately in the Statement of Profit and Loss; or

- in all other cases, the difference between the fair value at initial recognition and the transaction price is deferred. After initial recognition, the deferred difference is recorded as gain or loss in the Statement of Profit and Loss only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

In case the difference represents:

- deemed capital contribution - it is recorded to recorded as an Investment in Subsidiary,
- deemed distribution - It is recorded in equity
- deemed consideration for goods and services - it is recorded as an asset or a liability. This amount is amortized/accredited to the Statement of Profit and Loss as per the substance of the arrangement (generally straight-line basis over the duration of the arrangement)

g. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of service is recognized on completion of rendering of services. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Rental income from operating leases is recognized as income over lease term as per the agreed terms.

Interest income is recognized with reference to the EIR method. Dividend from investments is recognized as revenue when right to receive is established.

Land premium is recognized on straight line basis over the lease period.

h. Foreign Currency translation

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Foreign currency monetary items are reported using closing rate. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction.

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

i. Valuation of Inventories

Inventories of stores and spare parts (including fuel) are valued at lower of cost or net realizable value. Cost is determined on weighted average basis.

j. Earnings per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue to existing shareholders and share split.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares from the exercise of options on unissued share capital. The number of equity shares is the aggregate of the weighted average number of equity shares and the weighted average number of equity shares, which would be issued on the conversion of all the dilutive potential equity shares into equity shares. Options on unissued equity share capital are deemed to have been converted into equity shares.

k. Income Tax

Tax expense comprises of current and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or OCI. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of Income Tax Act, 1961 as applicable to the financial year.

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India. The said asset is created by way of credit to the Statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

l. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when an enterprise has a present obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent liabilities are disclosed for (1) possible obligations which will be confirmed only by future events not wholly within the control of the Company or (2) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements as this may result in the recognition of income that may never be realized.

m. Cash Flow statement

Cash Flow Statement has been prepared under the 'Indirect Method' as set out in the Accounting Standard (IndAS 7) - "Cash Flow Statements".

Note:

a) The Company has chosen to value the above as per the requirements of Ind AS 101 "First time adoption of Indian Accounting Standards" retrospectively as applicable.

b) Measurement of Fair value

The Company has in accordance with provisions of Ind-AS 101 First time adoption of Indian Accounting Standards, considered fair value for leasehold land as the deemed cost as on the transition date to IndAS. Further disclosures are as under:

i) Fair value hierarchy:

The Fair value of leasehold land was determined by external, independent property valuers, having appropriate recognised professional qualifications and experience in the category of the property being valued.

The fair value measurement was categorised as Level 2 fair value based on the inputs to the valuation technique used.

ii) Valuation technique:

Value of the property was arrived at using market approach using market corroborated inputs. Adjustments were made for factors specific to the assets valued including location and condition of the assets, the extent to which inputs relate to items that are comparable to the asset and the volume or level of activity in the markets within which the inputs were observed.

13. INCOME TAX

(a) Amounts recognised in profit and loss

	For the year ended March 31, 2018	For the year ended March 31, 2017
Current income tax (charge)/credit	(392.02)	(331.30)
Deferred income tax asset/(liability), net		
Origination and reversal of temporary differences including Minimum Alternate Tax (MAT) Credit entitlement	181.89	490.56
Reduction/(Increase) in tax rate	56.87	(17.83)
Deferred tax credit/(charge)	238.76	472.73
Tax (expense)/credit for the year	(153.26)	141.43

The decrease in Indian corporate tax rate from 34.61% to 29.12 % for the financial year 2017-18 resulted in a remeasurement of deferred tax liability as of March 31, 2018. Consequently, a gain of Rs. 56.87 lakhs relating to such remeasurement was recognised in the income statement during the year ended March 31, 2018.

(b) Reconciliation of effective tax rate

	For the year ended March 31, 2018	For the year ended March 31, 2017
Profit before tax	1,616.38	1,382.93
Tax using the Company's domestic tax rate (Current year 29.12% and Previous Year 34.61%)	470.69	478.63
Non-deductible/chargeable tax expense/(income)	(1.69)	(11.60)
Truing up effect on fair value of leasehold land for rate change	209.64	(174.27)
Profits from exempted tax units	(479.50)	(475.00)
Difference in tax rate for depreciation on leasehold land	11.75	25.35
Difference in tax rate on interest income	(0.76)	(2.37)
Rate change impact	(56.87)	17.83
	153.26	(141.43)
Effective tax rate for the year	9.48%	-10.23%

Net tax assets/(Liabilities)	(3,776.72)	472.73	-	-	(3,303.99)	846.75	(4,150.74)

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Minimum Alternative Tax (MAT credit) balance as on March 31, 2018 amounts to Rs. 1,125.72 lakhs (Previous year - 739.49 lakhs). The Company is reasonably certain of availing the said MAT credit in future years against the normal tax expected to be paid in those years.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

The Company does not have any intention to dispose the land on an individual basis, hence deferred tax asset on the indexation benefit on land has not been recognised.

28. FINANCIAL INSTRUMENTS - FAIR VALUES (Continued...)

Measurement of fair values:

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 fair values, as well as the significant inputs used.

Financial instruments measured at fair value

Type	Valuation technique
Security deposit received against lease	Discounted cash flows: The valuation model considers the present value of expected payment discounted using appropriate discounting rates.

29. FINANCIAL RISK MANAGEMENT

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment

WOCKHARDT INFRASTRUCTURE DEVELOPMENT LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

All amounts in lakhs of Indian Rupees unless otherwise stated

29. FINANCIAL RISK MANAGEMENT (continued)

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has major transactions with the holding company. The amount outstanding as at March 31, 2018 is Rs. 367.84 lakhs (Previous year- Rs. Nil).

The movement in the loss allowance in respect of trade and other receivables during the year was as follows:

	March 31, 2018	March 31, 2017
Balance as at April 1	78.50	78.50
Impairment loss recognised	-	-
Bad debts	-	-
Balance as at March 31	78.50	78.50

Cash and bank balances

The Company held Cash and bank balances of Rs. 51.69 lakhs at March 31, 2018 (Previous year - Rs. 262.34 lakhs). These balances are held with bank and financial institution counterparties with good credit rating.

Others

Other than trade receivables reported above, the Company has no other financial assets that is past due but not impaired.

WOCKHARDT INFRASTRUCTURE DEVELOPMENT LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018**

All amounts in lakhs of Indian Rupees unless otherwise stated

29. FINANCIAL RISK MANAGEMENT (continued)**ii. Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure that it will have sufficient liquidity to meet its liabilities. The Company monitors the net liquidity position through forecasts on the basis of expected cash flows.

During the year, the Company has fully repaid loan taken from holding company.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

Contractual cash flows

March 31, 2018	Carrying amount	Total	0-12 months	1- 5 years	More than 5 years
Non-derivative financial liabilities					
Borrowings (including interest)	-	-	-	-	-
Trade payable and other Financial Liabilities	762.84	1,981.67	296.32	37.97	1,647.38
	762.84	1,981.67	296.32	37.97	1,647.38

Contractual cash flows

March 31, 2017	Carrying amount	Total	0-12 months	1- 5 years	More than 5 years
Non-derivative financial liabilities					
Borrowings (including interest)	921.53	950.37	950.37	-	-
Trade payable and other Financial Liabilities	758.79	2,012.17	373.82	-	1,638.35
	1,680.32	2,962.54	1,324.19	-	1,638.35

WOCKHARDT INFRASTRUCTURE DEVELOPMENT LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

All amounts in lakhs of Indian Rupees unless otherwise stated

29. FINANCIAL RISK MANAGEMENT (continued)

iii. Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and other prices such as equity price. These will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. Financial instruments affected by market risk include loans, borrowings and deposits. The Market risk the Company is exposed can be classified as Currency risk and Interest rate risk. The Company does not have any currency risk.

WOCKHARDT INFRASTRUCTURE DEVELOPMENT LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

All amounts in lakhs of Indian Rupees unless otherwise stated

29. FINANCIAL RISK MANAGEMENT (continued)

a) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing instruments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing instruments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

	Nominal amount	Nominal amount
	March 31, 2018	March 31, 2017
Variable-rate instruments		
Financial liabilities	-	921.53
	-	921.53

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

Variable-rate instruments	Impact on Profit/ (loss)- Increase (Decrease) in Profit	
	March 31, 2018	March 31, 2017
Particulars		
100 bp increase	-	(9.22)
100 bp decrease	-	9.22

WOCKHARDT INFRASTRUCTURE DEVELOPMENT LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

All amounts in lakhs of Indian Rupees unless otherwise stated

30. CAPITAL MANAGEMENT

The Company's capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Company.

The Company determines the amount of capital required on the basis of annual and long-term strategic plans. The Company's policy is aimed at combination of short-term and long-term borrowings.

The Company monitors the capital structure on the basis of 'adjusted net debt' to 'adjusted equity'. For this purpose adjusted net debt is defined as total liabilities comprising interest bearing loans and borrowings and obligations under finance lease, less cash and cash equivalents, Bank balance and current investments. Adjusted equity comprises Total equity (other than amounts accumulated in the hedging reserve, if any.)

The following table summarizes the capital of the Company:

	March 31, 2018	March 31, 2017
Total liabilities	-	921.53
Less : Cash and cash equivalent and other bank balances	-	262.34
Adjusted net debt	-	659.19
Total equity	-	16,556.71
Adjusted equity	-	16,556.71
Adjusted net debt to adjusted equity ratio	-	0.04

31. CONTINGENT LIABILITY:

- A) Disputed income tax demand of Rs. Nil (Previous Year– Rs. Nil).
32. Since the Company is operating under single segment as developer of SEZ and is operating in single geographical segment, hence the disclosure of reportable Segment in accordance with Indian Accounting Standard (Ind AS-108) “Operating Segments” is not applicable.
33. The Company has entered into finance lease for land for a period of 95 years. The lease can be extended for further 95 years. The Company has sub-leased certain portion of the land which is cancellable. Except for the initial payment there are no material annual payments for the aforesaid leasehold land obtained.

WOCKHARDT INFRASTRUCTURE DEVELOPMENT LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2018

All amounts in lakhs of Indian Rupees unless otherwise stated

34. In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2018, notifying Ind AS 115 'Revenue from Contracts with Customers' (New Revenue Standard) w.e.f. April 01, 2018, which replaces Ind AS 11 'Construction Contracts' and Ind AS 18 'Revenue'. The New Revenue Standard establishes principles for recognizing revenue upon the transfer of promised goods or services to customers, in an amount that reflects the expected consideration received in exchange for those goods or services. The New Revenue Standard provides additional guidance on areas such as multiple-element arrangements, measurement approaches for variable consideration, specific guidance for licensing of intellectual property along with significant additional disclosures in relation to revenue. The New Revenue Standard also provides two broad alternative transition options – Retrospective Method and Cumulative Effect Method – with certain practical expedients available under the Retrospective Method. The Company continues to evaluate the impact of the New Revenue Standard on the present and future arrangements and shall determine the appropriate transition option once the said evaluation has been completed.
35. There are no significant subsequent events that would require adjustments or disclosures in the financial statements as on the balance sheet date.
36. Previous year figures have been regrouped where necessary to conform to current year's classification.
