Independent Auditors' Report

To the Members of Wockhardt Medicines Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Wockhardt Medicines Limited ("the Company"), which comprise the balance sheet as at 31 March 2020, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditors' Report (Continued)

Wockhardt Medicines Limited

Management's and Board of Directors' Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

Independent Auditors' Report (Continued)

Wockhardt Medicines Limited

Auditor's Responsibilities for the Audit of the Financial Statements

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The comparative financial statements of the Company for the period 25 March 2019 to 31 March 2019 included in these financial statements have been audited by the predecessor auditor who had expressed an unmodified opinion thereon as per their report dated 3 May 2019 and which has been furnished to us by the Management and has been relied upon by us for the purpose of our audit. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

Independent Auditors' Report (Continued)

Wockhardt Medicines Limited

Report on Other Legal and Regulatory Requirements (Continued)

- c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection fund by the Company.

(C) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its key managerial personnel during the current year

Wockhardt Medicines Limited

Annexure - A to the Independent Auditors' Report – 31 March 2020

(Referred to in our report of even date)

- (i) According to the information and explanation given to us, the Company does not have any Fixed Assets. Accordingly, paragraphs 3(i)(a), 3(i)(b) and 3(i)(c) of the order is not applicable to the Company.
- (ii) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraphs 3 (iii) (a), (b) and (c) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanation given to us, the company has not made any investments and given any loans, guarantees and securities. Accordingly, paragraph 3 (iv) of the Order are not applicable to the Company.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public during the year in terms of the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) Since the Company has not commenced operations the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including, income-tax, goods and services tax and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of provident fund, employees' state insurance, duty of customs and cess.

According to the information and explanations given to us, no undisputed amounts payable in respect of, income-tax, goods and services tax and other material statutory dues were in arrears as at 31 March 2020 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of income-tax, goods and services tax as at 31 March 2020 which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) In our opinion and according to the information and explanations given to us, the Company does not have any loans or borrowing from government or outstanding dues to banks, financial institutions or dues to debenture holders during the year.
- (ix) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

Wockhardt Medicines Limited

Annexure - A to the Independent Auditors' Report – 31 March 2020 (Continued)

- (xi) According to the information and explanations given to us, the Company has not paid any remuneration to its key managerial personnel and hence reporting under clause 3(xi) are not applicable.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanation given to us, there are no transactions entered into by the Company with the related parties and hence reporting under clause 3(xiii) are not applicable.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable to the Company.

Wockhardt Medicines Limited

Annexure B to the Independent Auditors' report on the financial statements of Wockhardt Medicines Limited for the year ended 31 March 2020

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph (2A(f)) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Wockhardt Medicines Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Wockhardt Medicines Limited

Annexure B to the Independent Auditors' report on the financial statements of Wockhardt Medicines Limited for the year ended 31 March 2020

Auditors' Responsibility (Continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

WOCKHARDT MEDICINES LIMITED
NOTES TO ACCOUNTS
FOR THE YEAR ENDED MARCH 31, 2020

1. CORPORATE INFORMATION

Wockhardt Medicines Limited ('WML' or 'Company') is a wholly owned subsidiary of Wockhardt Limited, incorporated on March 25, 2019 in India, and having its Registered office at Wockhardt towers, Bandra Kurla Complex, Bandra (E), Mumbai, Maharashtra, India. The Company is yet to commence its operations.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

A. Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time. These financial statements were approved by the Board of Directors and authorised for issue on May 09, 2020.

B. Functional and Presentation Currency

These financial statement are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates All the amounts have been rounded off to the nearest lakhs except for share data and per share data, unless otherwise stated.

C. Basis of preparation

These Financial Statements have been prepared on accrual basis under the historical cost convention.

D. Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires the management to make judgements , estimates and assumption about the reported amounts of assets and liabilities (including contingent liabilities) on the date of standalone financial statement and the reported income and expenses during the year. The management believes that the judgements and estimates used in preparation of these financial statements are prudent and reasonable.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying accounting policies:

The following are the critical judgements, apart from those involving estimations, that the management have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in these financial statements.

(i) *Current tax and deferred tax*

The Company's tax charge on ordinary activities is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgement in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material impact on profit/loss and/or cash flows of the Company.

The recognition of deferred tax assets is based upon whether it is probable that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits which are based on budgeted cash flow projections, reference is made to the latest available profit forecasts. Where the temporary differences are related to losses, relevant tax law is considered to determine the availability of the losses to offset against the future taxable profits.

3. SIGNIFICANT ACCOUNTING POLICIES:

(a) Financial Instruments

I. Financial assets

(i) Classification of financial assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Debt instruments at amortised cost:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

Debt instruments at fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised

in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the EIR method.

Debt instruments measured at fair value through profit and loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity investments:

Investment in subsidiaries, associates and joint ventures are measured at cost.

All other equity investments which are in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVTOCI) or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derivative financial instruments:

The Company uses derivative financial instruments, such as forward currency contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss.

(ii) Initial recognition and measurement

All financial assets are recognised initially at fair value and for those instruments that are not subsequently measured at FVTPL, plus/minus transaction costs that are attributable to the acquisition of the financial assets.

Trade receivables are carried at original invoice price as the sales arrangements do not contain any significant financing component. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

(iii) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates whether it has transferred substantially all the risks and rewards of ownership. In such cases, the financial asset is derecognised. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

(iv) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, historical observed default rates are updated and changes in the forward-looking estimates are analysed.

II. Financial Liabilities and equity instruments:

Debt and equity instruments issued by the entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(i) Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(ii) Financial liabilities: - Classification:

Financial liabilities are classified as either 'at FVTPL' or 'other financial liabilities'. FVTPL liabilities consist of derivative financial instruments, wherein the gains/losses arising from remeasurement of these instruments is recognized in the Statement of Profit and Loss. Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

(iii) Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and for those instruments that are not subsequently measured at FVTPL, plus/minus transaction costs that are attributable to issue of these instruments.

(iv) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

III. Fair value:

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date. Examples include exchange-traded commodity derivatives and other financial assets such as investments in equity and debt securities which are listed in a recognized stock exchange.

Level 2: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions. For example, the fair value of forward exchange contracts, currency swaps and interest rate swaps is determined by discounting estimated future cash flows using a risk-free interest rate.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

IV. Accounting for day 1 differences:

If the fair value of the financial asset at initial recognition differs from the transaction price, this difference if it is not consideration for goods or services or a deemed capital contribution or deemed distribution, is accounted as follows:

- if the fair value is evidenced by a quoted price in an active market for an identical asset or liability (ie a Level 1 input) or based on a valuation technique that uses only data from observable market, the entire day 1 gain/loss is recorded immediately in the Statement of Profit and Loss; or
- in all other cases, the difference between the fair value at initial recognition and the transaction price is deferred. After initial recognition, the deferred difference is recorded as gain or loss in the Statement of Profit and Loss only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability

In case the difference represents:

- (i) deemed capital contribution - it is recorded as contribution from shareholder in equity (capital reserve)
- (ii) deemed distribution - It is recorded in equity
- (iii) deemed consideration for goods and services - it is recorded as an asset or a liability. This amount is amortized/accredited to the Statement of Profit and Loss as per the substance of the arrangement (generally straight-line basis over the duration of the arrangement)

V. Embedded derivatives

If the hybrid contract contains a host that is a financial asset within the scope Ind-AS 109, the Company does not separate embedded derivatives. Rather, it applies the classification requirements contained in Ind AS 109 to the entire hybrid contract. Derivatives embedded in all other host contracts are accounted for as separate derivatives and recorded at fair value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in Statement of Profit and Loss, unless designated as effective hedging instruments. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows.

VI. Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

VII. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(b) **Impairment of Non-financial assets**

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the fair value less cost of disposal and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

(c) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in the Notes. Contingent liabilities are disclosed for (1) possible obligations which will be confirmed only by future events not wholly within the control of the Company or (2) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the financial statements as this may result in the recognition of income that may never be realised.

(d) Earnings per Share (EPS)

Basic earnings per share is computed by dividing the profit / (loss) after tax available to equity share holders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares). Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

(e) Income Tax

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured at the amount expected to be recovered from or paid to the taxation authorities using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends if any.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) Intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

(f) Cash Flow statement

Cash Flow Statement has been prepared under the 'Indirect Method' as set out in the Accounting Standard (IndAS 7) - "Cash Flow Statements".

(g) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

WOCKHARDT MEDICINES LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020
 (All amounts in Lakhs of Indian Rupees unless otherwise stated)

4 Income tax

(a) Tax recognised in profit or loss

	For the year ended March 31, 2020	For the period March 25, 2019 to March 31, 2019
Current tax charge/(credit)	-	-
Deferred tax charge/(credit), net		
Origination and reversal of temporary differences	-	(0.12)
Deferred tax charge pertaining to earlier years	0.12	-
Deferred tax charge/(credit)	<u>0.12</u>	<u>(0.12)</u>
Tax charge/(credit) for the year/period	<u>0.12</u>	<u>(0.12)</u>

(b) Reconciliation of effective tax rate

Loss before tax (a)	(3.04)	(0.45)
Tax using the Company's domestic tax rate - Current year- 26.00 % (Previous period- 26.00 %)	-	(0.12)
Deferred tax charge pertaining to earlier years	0.12	-
Tax expense as per profit or loss (b)	<u>0.12</u>	<u>(0.12)</u>
Effective average tax rate for the year/ period (b)/(a)	-	26.00%

(c) Movement in deferred tax asset/(liabilities)

Deferred tax assets- as at April 01, 2019	0.12	-
Deferred tax income recognised during the year/period		
Tax losses	-	0.12
Deferred tax charge pertaining to earlier years	(0.12)	-
Deferred tax assets- as at March 31, 2020 (Refer note below)	<u>(0.00)</u>	<u>0.12</u>

Note:

In view of absence of virtual certainty of realisation, deferred tax assets have been not recognised.

	As at 31.03.2020	As at 31.03.2019
5 Current Financial Assets-Cash and cash equivalents		
Bank balances		
In current account	3.06	5.00
TOTAL	<u>3.06</u>	<u>5.00</u>

	As at 31.03.2020	As at 31.03.2019
6 Equity Share Capital		
Authorised Share Capital		
1,00,000 (Previous period- 1,00,000) equity shares of Rs. 10 each	10.00	10.00
Issued, subscribed and fully paid up		
50,000 (Previous period- 50,000) equity shares of Rs. 10 each	5.00	5.00

Notes:

a) The above 50,000 (Previous period 50,000) equity shares are held by Wockhardt Limited, the Holding Company including six fully paid shares of par value held in the name of the nominees of the Company.

b) Terms /rights attached to Equity Shares

The Company has only one class of equity shares having a par value of Rs 10 per share. Each holder of equity shares is entitled to one vote per share held and is entitled to dividend, if declared at the Annual General Meeting. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

	As at 31.03.2020	As at 31.03.2019
7 Other Current Financial Liabilities		
Audit fees payable	1.08	0.25
Incorporation expenses payable (Refer note 12)	0.00	0.20

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

(All amounts in Lakhs of Indian Rupees unless otherwise stated)

13 FINANCIAL INSTRUMENTS - FAIR VALUES

A. Accounting classification and fair values

Carrying amounts and fair values of financial assets and financial liabilities are presented below. In case of the below financial instruments, the carrying amount is a reasonable approximation of the fair value, hence the fair value hierarchy has not been separately disclosed.

	Carrying amount				Total Fair value
	Fair value through profit and loss	Fair value through other comprehensive income	Amortised Cost	Total	Total
March 31, 2020					
Financial Assets					
Cash and cash equivalents			3.06	3.06	3.06
Total	-	-	3.06	3.06	3.06
Financial Liabilities					
Other financial liabilities			1.45	1.45	1.45
Total	-	-	1.45	1.45	1.45

	Carrying amount				Total Fair value
	Fair value through profit and loss	Fair value through other comprehensive income	Amortised Cost	Total	Total
March 31, 2019					
Financial Assets					
Cash and cash equivalents			5.00	5.00	5.00
Total	-	-	5.00	5.00	5.00
Financial Liabilities					
Other financial liabilities			0.45	0.45	0.45
Total	-	-	0.45	0.45	0.45

WOCKHARDT MEDICINES LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020****(All amounts in Lakhs of Indian Rupees unless otherwise stated)****14 FINANCIAL RISK MANAGEMENT**

The Company is yet to commence its business activities, hence as at the balance sheet date the Company has no exposure to any major financial risk. The Board of Directors would be responsible for the establishment and oversight of risk management framework.

Liquidity risk

The following tables detail the remaining contractual maturities at the end of the reporting period of the Company, which are based on contractual and undiscounted cash flows and the earliest date the Company can be required to pay. The Company manages liquidity risk by maintaining adequate reserves and by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities

Contractual cash flows

March 31, 2020	Book values	Total cash flows	Upto 1 year	1-3 years	3-5 years	More than 5 years
Non-derivative financial liabilities						
Other financial liabilities	1.45	1.45	1.45	-	-	-
	1.45	1.45	1.45	-	-	-

Contractual cash flows

March 31, 2019	Book values	Total cash flows	Upto 1 year	1-3 years	3-5 years	More than 5 years
Non-derivative financial liabilities						
Other financial liabilities	0.45	0.45	0.45	-	-	-
	0.45	0.45	0.45	-	-	-

WOCKHARDT MEDICINES LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

(All amounts in Lakhs of Indian Rupees unless otherwise stated)

- 15 Contingent liabilities as on March 31, 2020 is Rs. Nil (Previous Year Rs Nil)
- 16 There are no significant subsequent events that would require adjustments or disclosures in the financial statements as on the balance sheet date.
- 17 Previous period figures have been regrouped where necessary to conform to current year's classification. Further these figures have been audited by predecessor auditor who have expressed an unqualified opinion.
- 18 The Company was incorporated on March 25, 2019 in the last year, hence the financial statements for the current year is not comparable with the previous year figure.
