#### Ответственность руководства и единственного участника за финансовую информацию специального назначения

Генеральный директор (руководство) несет ответственность за подготовку указанной финансовой информации специального назначения в соответствии с политикой, содержащейся в руководстве по бухгалтерскому учету Группы, базирующейся на ИСБУ, и за систему внутреннего контроля, которую руководство считает необходимой для подготовки финансовой информации специального назначения, не содержащей существенных искажений вследствие недобросовестных действий или ошибок.

При подготовке финансовой информации специального назначения руководство несет ответственность за оценку способности Компонента продолжать непрерывно свою деятельность, за раскрытие в соответствующих случаях сведений, относящихся к непрерывности деятельности, и за составление финансовой информации специального назначения на основе допущения о непрерывности деятельности, за исключением случаев, когда руководство намеревается ликвидировать Компонент, прекратить его деятельность или когда у него отсутствует какая-либо иная реальная альтернатива, кроме ликвидации или прекращения деятельности.

Единственный участник несет ответственность за надзор за подготовкой финансовой информации специального назначения Компонента.

## Ответственность аудитора за аудит финансовой информации специального назначения

Наша цель состоит в получении разумной уверенности в том, что финансовая информация специального назначения не содержит существенных искажений вследствие недобросовестных действий или ошибок, и в выпуске аудиторского заключения, содержащего наше мнение. Разумная уверенность представляет собой высокую степень уверенности, но не является гарантией того, что аудит, проведенный в соответствии с Международными стандартами аудита, всегда выявляет существенные искажения при их наличии. Искажения могут быть результатом недобросовестных действий или ошибок и считаются существенными, если можно обоснованно предположить, что в отдельности или в совокупности они могут повлиять на экономические решения пользователей, принимаемые на основе этой финансовой информации специального назначения.

#### Responsibilities of Management and the Sole Participant for the Special Purpose Financial Information

The General Director (management) is responsible for the preparation of the special purpose financial information in accordance with the policies contained in the Group's accounting manual based on IndAS, and for such internal control as management determines is necessary to enable the preparation of special purpose financial information that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial information, management is responsible for assessing the Component's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Component or to cease operations, or has no realistic alternative but to do so.

The sole participant is responsible for overseeing the Component's financial reporting process.

## Auditor's Responsibilities for the Audit of the Special Purpose Financial Information

Our objectives are to obtain reasonable assurance about whether the special purpose financial information as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this special purpose financial information.

В рамках аудита, проводимого в соответствии с Международными стандартами аудита, мы применяем профессиональное суждение и сохраняем профессиональный скептицизм на протяжении всего аудита. Кроме того, мы выполняем следующее:

- выявляем и оцениваем риски существенного искажения финансовой информации специального назначения вследствие недобросовестных действий или ошибок; разрабатываем и проводим аудиторские процедуры в ответ на эти риски; получаем аудиторские доказательства, являющиеся достаточными и надлежащими, чтобы служить основанием для выражения нашего мнения. Риск необнаружения существенного искажения в результате недобросовестных действий выше, чем риск необнаружения существенного искажения в результате ошибки, так как недобросовестные действия могут включать сговор, подлог, умышленный пропуск, искаженное представление информации или действия в обход системы внутреннего контроля;
- б) получаем понимание системы внутреннего контроля, имеющей значение для аудита, с целью разработки аудиторских процедур, соответствующих обстоятельствам, но не с целью выражения мнения об эффективности системы внутреннего контроля Компонента;
- в) оцениваем надлежащий характер политики, содержащейся в руководстве по бухгалтерскому учету Группы, базирующейся на ИСБУ, обоснованность оценочных значений, рассчитанных руководством, и соответствующего раскрытия информации;
- делаем вывод о правомерности применения руководством допущения о непрерывности деятельности, а на основании полученных аудиторских доказательств - вывод о том, имеется ли существенная неопределенность в связи с событиями или условиями, в результате которых могут возникнуть значительные сомнения в способности Компонента продолжать непрерывно свою деятельность. Если мы приходим к выводу о наличии существенной неопределенности, мы должны привлечь внимание в нашем аудиторском заключении к соответствующему раскрытию информации в финансовой информации специального назначения или, если такое раскрытие информации является ненадлежащим, модифицировать

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the special purpose financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Component's internal control.
- Evaluate the appropriateness of the policies contained in the Group's accounting manual based on IndAS, and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Component's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the special purpose financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Component to cease to continue as a going concern.

наше мнение. Наши выводы основаны на аудиторских доказательствах, полученных до даты нашего аудиторского заключения. Однако будущие события или условия могут привести к тому, что Компонент утратит способность продолжать непрерывно свою деятельность.

Мы осуществляем информационное взаимодействие с единственным участником, доводя до его сведения, помимо прочего, информацию о запланированном объеме и сроках аудита, а также о существенных замечаниях по результатам аудита, в том числе о значительных недостатках системы внутреннего контроля, которые мы выявляем в процессе аудита.

We communicate with the sole participant regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Выводы, сделанные при формировании нашего мнения, основаны на уровне существенности Компонента, указанном вами в контексте аудита консолидированной финансовой отчетности Группы.

The conclusions reached in forming our opinion are based on the Component materiality level specified by you in the context of the audit of the consolidated financial statements of the Group.
